Re: Revised Tariffs Filed by the NSTAR Companies Governing Their Terms and  
Conditions for Distribution Services and Competitive Suppliers, D.T.E. 05-84

Dear Secretary Cottrell:

On January 31, 2006, the Department approved the revised tariffs filed by the NSTAR Companies on January 20, 2006 in the above-captioned docket. On February 1, 2006, RESA filed a motion in which it requested that the Department reconsider and/or clarify the January 12, 2006 Final Order in which it approved NSTAR's proposed tariffs in modified form. The Department thereafter invited interested parties to submit written comments on RESA's motion on or before February 15, 2006.

RESA respectfully requests that the Department stay implementation of the NSTAR tariffs while RESA's motion for reconsideration and/or clarification is pending. Such a stay will avoid delay in customer enrollments and the resulting market disruptions that surely will arise from the new tariffs, absent modification.

If you have any questions, please contact me.

Very truly yours,

Robert J. Munnelly, Jr.
